### Pre-Show Tips

1. Double check your name badge and CE/Event schedule for accuracy.
2. Download the INDental mobile app. Watch your inbox – more information is on the way.
3. Download and/or print course handouts, if applicable.
4. Pack up and get ready to ENVISION, CONNECT, IGNITE #DentalAssembly19

### Course Preparation, Checkin, Seating & Courtesy

Bring your downloaded/printed CE handouts and CE tracking sheet. Your meeting tenant will get you checked into your course. Doors close at the start of the course and late arrivals are not permitted. Seating for all seminars is available on a first-come, first-served basis. CE will be held in the French Lick Springs Hotel Event Center. Arriving early will allow you to easily secure seats prior to the course. Also, please set all cell phones and electronic devices to "silent" during seminars. The INDental mobile app will be your best meeting resource. #DentalAssembly19

### Continuing Education Tracking Forms

At the conclusion of each CE session, the host will give attendees a course code. Write each code on this CE tracking sheet, then complete your INDental mobile survey. It is your responsibility to maintain all necessary CE records. The IDA does not report your CE to the Indiana State Board of Dentistry. Remember to use the INDental mobile app to submit course surveys.
