Third Year Dental Student Mentoring for IUSD

The following request by Dr. Jack Drone was e-mailed to Foundation Board members for their vote on March 5, 2018:

The Indiana Section of the American College of Dentists would like to request help to defray the costs of our Third Year Dental Student Mentoring for IUSD.

The Indiana Section of the American College of Dentists has long been one of the strongest Sections in the country. In 2017, we earned Model section Status. We have had a National President of ACD, Chuck Kerkhove, and we currently have our Dick Jones currently serves as our Regent.

The Mentoring Session will occur on Thursday, April 19, 2018 at the JW Marriott downtown Indianapolis. We will have nearly 30 mentors and over 120 students. Our costs for rental and lunch will be in excess of \$7,000. This is money well spent on the future of our profession.

The IDA, IUSD and ACD have all worked closely on this project in the past and I do see this fitting the mission of "Enhancing the dental welfare of Indiana Residents." By enriching and reaching to the formative dental mind, we can make a profound difference.

I am writing to request a gift of \$2,000. I sit on the Indiana Dental Association Foundation Board and would be glad to speak with the Board Members via a telephone conference call.

If any further information is needed, please let me know and I will do so.

Thank you for your consideration,

Jack Drone, Section Chair, Indiana ACD

All nine members responded in the affirmative approving these funds to be disbursed as requested above on March 5 and 6.

Respectfully submitted by,

Ed Rosenbaum
